NOTES

The abridged financial statements for the nine months ended 31 March 2024 are unaudited and have been prepared using the same accounting policies as in the audited financial statements for the year ended 30 June 2023.

The above results are a consolidated view of the operations of C-Care (Mauritius) Ltd and its subsidiaries.

Strong operational performance led to a 14% increase in revenue to MUR 2.5bn from MUR 2.2bn. EBITDA improved to MUR 512M from MUR 464M, demonstrating efficient management amidst an environment of inflation and increasing operational costs. PAT decreased by 9% to MUR 222M from MUR 245M, due to escalated depreciation and financing expenses related to the group's major capital investment, especially in new infrastructure and technological upgrades. Towards the end of the quarter, the new Cancer Centre at C-Care Darne commenced its operations.

The Board of Directors of C-Care (Mauritius) Ltd accepts full responsibility for the accuracy of the information contained in this report.
