C-CARE APP

Medical care at
your fingertips

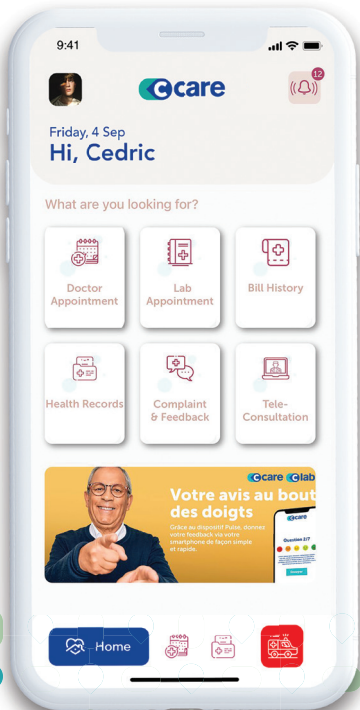

Get Medical care at your fingertips with the C-Care App

Upgrade your health journey with C-Care. Easily schedule your appointments, access your records, and experience medical teleconsultations for personalized care at your convenience, anywhere.

Our professional and caring team designed the C-Care App to provide you with comprehensive assistance and the highest quality medical care every step of the way.

How to enroll?

1. Download the App
2. Register yourself on the App
3. Complete the identity verification process (KYC*) at any C-Care reception to unlock all the features of the App and ensure an efficient and secure use

Main features

Book your next doctor appointment

Book your doctor appointment by selecting the specialty, preferred doctor, C-Care facility, date, and time, and receive helpful reminders.

Book your lab appointment

Book your laboratory appointment by selecting your preferred C-Care facility, date, and time, and receive helpful reminders.

View your bill history

Track and manage your healthcare expenses easily with our app's bill history feature. View payment details and history in one place, including copays, deductibles, and other charges.

Check your health records

You can securely view your medical history, including, laboratory reports, radiology reports, prescriptions, and past procedures.

Benefit from tele-consultation services

Connect with healthcare professionals from the comfort of your own home. You can schedule virtual appointments with your preferred doctor or specialist and discuss your health concerns in real time.
