NOTES

The unaudited condensed consolidated financial statements for the nine months ended 31 March 2025 are unaudited and have been prepared using the same accounting policies as in the audited financial statements for the year ended 30 June 2024.

The above results are a consolidated view of the operations of C-Care (Mauritius) Ltd and its subsidiaries.

The Group maintained a strong performance for the period ended 31 March 2025, with revenue growing by 14% to reach MUR 3bn compared to MUR 2.5bn last year driven by organic growth and new strategic investments in C-Care Grand-Baie and C-Care Cancer Unit amongst others. EBITDA increased to MUR 588m from MUR 512m, resulting from effective cost management despite inflationary pressures and increased operating expenses. This led to an improved PAT despite higher depreciation.
